

UPDATE ON COVID-19 RELATED MEASURES IN THE CZECH REPUBLIC*

I. LATEST UPDATE

On February 11, 2021 the Parliament did not approve the extension of the state of emergency until March 15, 2021 as requested by the Czech Government. The current state of emergency therefore ends on February 14. Stricter measures were back in place since December 27, 2020 after the country has returned to the highest stage of the anti-epidemiological system referred to as PES after a looser regime during the Christmas period. The Government will discuss next steps.

CURRENTLY THE FOLLOWING MEASURES APPLY:

1. Free movement:

- The free movement of persons in the Czech Republic is limited again to essential movement for work and similar essential purposes.
- The curfew during night hours is re-installed from 9 pm to 5 am.
- A travel ban in and out of the regions of Cheb, Sokolov and Trutnov until the end of the State of Emergency has been established.
- Recreational facilities can only be used by members of the same household.
- Business trips with family members are not allowed; a written confirmation which proves the purpose of a business trip is required from the employer or client.
- Hospital visits are not permitted.

2. Gatherings and activities:

- Gatherings are overall limited again to max 2 persons from different households.
- Capacity in church is limited to one-tenth.
- Maximum of 15 people is allowed to attend marriages and funerals.

3. Retail and services

- Non-essential shops remain closed.
- New exceptions are stationary stores and shops with children's clothes and shoes.

4. Face masks remain obligatory in all indoor spaces and at selected public spaces (e.g. public transport stations)

5. Restaurants, Accommodation and Cultural activities (Regulations No. 1332, 1333):

- Theaters, concerts and cinemas, museums, galleries, castles and other sightseeing premises are closed.
- Restaurants are closed and food and non-alcoholic beverages can only be served from take-away windows

- Accommodation services are closed.
- Ski resorts, ski and cableways are closed and may not be used by neither skiers nor hikers.
- Farmer's markets must stay closed.
- Driving schools' instructors and students are required to wear FFP2 respirators.

6. Educational institutions (Regulation No. 1335):

- Schools returns to remote learning, except kindergartens, schools for disabled children and first and second graders.

7. Antigen testing (Regulation No. 1337):

- Free voluntary antigen testing has started from December 16, 2020.

8. The rules for entering the Czech Republic have been re-adjusted. As of FEBRUARY 5, 2021, the following applies:

- It is possible to travel to the Czech Republic **only for essential reasons**. Travelling for the purpose of tourism, or to visit friends, is not possible. Cross-border workers are not affected by the ban.
- In particular, the following **entry restrictions** apply:

- For **countries classified as "low-risk" (green)**: Australia, South Korea, New Zealand, Singapore, Thailand, Vatican

-Entry is allowed without restrictions

- For **EU countries classified as "medium-risk" (orange)**: Finland, Iceland, Norway, Greece

-Obligation to complete the **Electronic Public Health Passenger Locator Form** and undergo an **antigen test** (no more than 24 hours before arrival in the Czech Republic) or a **PCR test** (no more than 72 hours before arrival in the Czech Republic)

-Obligation to **present the employer with a negative result** of the antigenic or PCR test performed when entering the workplace.

-Obligation to **wear a respirator** everywhere outside of home for 10 days after entering the CR.

- For **EU countries classified as "high-risk" (red)**: Azores Islands, Belgium, Bulgaria, Denmark, France, Croatia, Italy, Canary Islands, Cyprus, Liechtenstein, Luxembourg, Madeira, Hungary, Malta, Germany, Netherlands, Poland, Austria, Romania, Sweden, Switzerland

-Obligation to complete the **Electronic Public Health Passenger Locator Form** and undergo an **antigen test** (no more than 24 hours before arrival in the Czech Republic) or a **PCR test** (no more than 72 hours before arrival in the Czech Republic) before arrival in the Czech Republic.

-Obligation to **undergo a PCR test within 5 days** of arrival in the CR.

-Obligation to **self-isolate** until the result of the PCR test is submitted.

-Obligation to **wear a respirator** everywhere outside for 10 days after entering the CR.

- For **countries classified as "very high-risk" (dark red)**: Other countries not listed in the previous categories - Slovakia, Portugal, Spain, etc.

-Obligation to complete the **Electronic Public Health Passenger Locator Form** and undergo a **PCR test** (no more than 72 hours before arrival in the Czech Republic) before arrival in the Czech Republic.

-Obligation to **undergo a PCR test at the earliest on the 5th day** of arrival in the CR.

-Obligation to **Self-isolate** until the result of the PCR test is submitted.

-Obligation to **wear a respirator** everywhere outside of home for 10 days after entering the CR.

- **All employees are required to inform their employer about their possible private trips to medium, high and very high-risk countries.**
- The above rules do not apply:
 - if the stay abroad **does not exceed 12 hours**
 - for cross-border workers
 - if the person submits written medical confirmation that he/she has no clinical signs of COVID-19, has undergone COVID-19, has undergone isolation extent and no more than 90 days have passed since the first positive PCR test result.
